Day for Life Collection Sunday 21st June

The National Day for Life Collection is split 50/50 between the Archdiocese and the Bishops' Conference of Scotland. The Archdiocesan share will be used to support pro-life work covering issues at the beginning and end of life: the unborn and their mothers, the disabled, the elderly and the dying. This may include support for advocacy, education, pastoral care and formation in these areas, particularly in response to current developments and needs. In recent years, the Archdiocese has supported work including opposition to assisted suicide, protection of the unborn, post-abortion support, and the formation of young pro-lifers.

Bereavement Ministry

A couple of parishioners recently approached me about bereavement ministry in the parish(es). This is something I'd be open to, if we could get a group of at least four people. This would involve (a) offering a follow-up visit after funerals, with the possibility of further visits (b) being present at & helping out with a monthly Mass for the bereaved. To register your interest – no commitment as yet – email or call the office.

Sick/Housebound

We have a sick and housebound list for our parishes, and Fr John and Deacon Douglas try to visit on a monthly basis. If you know someone who is housebound or sick and would like to be on our list for visits, please speak to Father after Mass or contact the office with your information to be put on the list.

Altar Server & Reader Consent Forms Live Stream

Could I please ask all consent forms to be returned **as soon as possible**. This is important for you to continue serving/reading. If you haven't got one, please email or call the office.
